

May 7, 2019

Dear Friend of the Clinic,

The *Care4 Race Committee* invites **you** to the 19th **Annual Care4 Breast Cancer 5K Run/Walk** as a sponsor. This is McHenry County's largest 5K and will be held on Sunday, October 20, 2019 at Woodstock North High School. This event is organized by the Family Health Partnership Clinic to raise funds for breast cancer education, outreach, screenings and other services for uninsured and underinsured women and men of our county.

We were successful last year, raising just over \$117,000 with 2,000 participants ! With your help, we will make 2019 even better! **Money raised stays in McHenry County to serve our local people in our community! Many men and women benefit.**

The Care4 5K is a great marketing opportunity that reaches a very large number of county residents. In addition to day of exposure, Kintera, Inc. provides us with a specialized, secure registration website which generates over 6,250 web hits each month that will further increase your exposure. We would love to see **you** listed as a sponsor on the race site.

Please consider joining our very important cause as a sponsor for 2019 by completing the attached form and mail and/or fax back to 815.893.6356. If you have questions, please contact Cathy Patenaude, 1.779.220.9304. **Thank you for your consideration!**

Sincerely,

Cathy Patenaude
